

## Preliminary program for NOPHO course in acute oncology and acute toxicities.

For the first time in Copenhagen August 29<sup>th</sup>-31<sup>st</sup>, 2018, we invite you to a NOPHO educational course in acute oncology. The course will be an interactive problem based event which hopefully will give you state of the art algorithms to handle the rare acute conditions in pediatric oncology patients.

### Practicalities

Venue <http://ida-moedecenter.ida.dk/>

All meals from lunch Wednesday August 29<sup>th</sup> until lunch Friday August 31<sup>th</sup> are included.

You have to cover expenses for travel and accommodation.

Sign up here [Registration for NOPOH acute oncology](#)

### Nearby hotels – you have to book yourself.
